BATTERY TECHNOLOGY FOR A GREENER FUTURE

EGO is part of a global manufacturing business established in 1993, employing over 7,000 people and producing over 10 million units each year, which are sold in over 30,000 outlets in 65 countries worldwide. As the specialists in battery outdoor tools, our strength in depth and desire to break new ground has helped EGO achieve exceptional growth while being environmentally conscious.

Launched into Europe in 2014, EGO continues to push the boundaries of battery technology with a range of award-winning products that are creating a cleaner, quieter and safer future whilst delivering superior performance.

Our commitment to a greener environment

EGO's commitment to innovation is driven by a talented team of over 400 highly qualified technicians responsible for developing and delivering clean, reliable power tools for today's switched-on customers. Our desire to create a greener future isn't limited to the products we develop, it also pervades the ways we operate and the places we work.

In 2004 we installed a 7,000m² Green Roof system to our dedicated R&D facility. This has saved the equivalent of 5 litres of petrol per m² each year. The roof of our Green Power Industrial Park features a 2-megawatt photovoltaic power station.

Known as 'The Blue Roof', the power this generates, year-on-year, saves the equivalent of 755 tonnes of coal, as well as cutting Sulphur Dioxide emissions by 50 tonnes and Carbon Dioxide emissions by 1,677 tonnes annually. The Green Power Industrial Park also utilises the latest in ground-source heating, air-conditioning and water-storage technologies. The ground-source heating system alone saves a massive 1 million KWh of electricity annually, the equivalent of 378 tonnes of coal. This cuts Sulphur Dioxide emissions by around 25 tonnes and Carbon Dioxide emissions by 839 tonnes each year.

Our passion for improving the environment won't stop here. This is only the beginning.

CHALLENGE 2025

Air pollution is now the world's largest single environmental health risk

Based on emission tests carried out in 2021, petrol-powered outdoor tools produce more than 3x the toxic emissions of an average family car.[†]

Challenge 2025 is our commitment to changing the future of gardening for the better.

If each of us made the small change to battery-powered outdoor tools, it would have a huge positive impact on our environment. Petrol-powered outdoor tools produce more nitric oxide, nitrogen dioxide and carbon dioxide than car engines.* This insight drives EGO's mission to right this wrong and create a better environment for all.

We believe the future is battery-powered – join us in making battery power the number one choice.

Together, we will build a cleaner, quieter, safer future.

For more information on Challenge 2025 and our five-year vision, visit our website [challenge2025.eu](https://www.challenge2025.eu).

EGO POWER+ ARC LITHIUM™ DELIVERS THE INDUSTRY'S HIGHEST ENERGY CAPACITY*

Our unique patented 56V ARC Lithium™ technology is designed like no other battery. It's why it performs like no other battery

The innovative design of EGO's 56V ARC Lithium™ battery out-performs petrol-powered products. It is simpler, cleaner, quieter, safer for the environment and with no emissions and less vibration, safer for you too. Impressive run-times and fast charge-times offer the ultimate in flexibility.

Why 56V?

Our team of experts has completely revolutionised battery technology to deliver the optimum power and performance for outdoor cordless equipment. Our 56V batteries deliver more usable power than any other hand-held battery. The seven portable batteries in our range optimally cover all applications, from leaf blowing to heavy duty cutting.

*For portable handheld batteries.

Fast recharge

All this clever thinking not only delivers the industry's highest energy capacity in a portable hand-held battery. It also means when it's time to recharge, the EGO Power+ 56V ARC Lithium™ battery is the quickest around.

For more information on how EGO Power+ batteries work, and what makes them so revolutionary, download the Battery FAQ document on our website.

egopowerplus.co.uk/FAQdownload

EGO POWER+ ARC LITHIUM™ BATTERY, DESIGNED TO MAXIMISE PERFORMANCE

The patented 56V ARC Lithium™ battery doesn't just manage heat, it maximises cooling

A battery gets hotter the longer it's used. The more power it generates, the more heat is released. Too much heat and the battery will shut down for safety. Heat also degrades cells over time, reducing battery life. That's why batteries must be cooled effectively to increase performance, run time and battery life.

Our batteries have been designed to cool effectively in three innovative ways: mechanically, chemically and electronically.

Unique Arc design

Unlike conventional brick-shaped batteries where the cells are packed together, the Arc shaped design increases surface area, places the cells close to the surface and fits onto the outside of EGO tools. This dissipates heat more effectively, preventing overheating and shut-downs.

Increased surface area

The battery Arc shape has been carefully designed to optimise cooling and reduce overheating. Unlike "brick shaped" batteries, the individual battery cells are positioned adjacent to the external housing so heat can be easily transferred away from the cells.

Intelligent power

Power is nothing without control. It's why the EGO Power+ 56V ARC Lithium™ battery is continuously controlled by software and microprocessors within the battery and by the tools' intelligent power management systems. These constantly monitor and optimise each individual cell, to deliver the very best power, performance and run time.

Keep Cool™ Technology

It's not just the innovative Arc design that helps prevent overheating. The battery has another clever way to keep cool. Each and every cell is surrounded by our unique Keep Cool™ phase change material that absorbs heat energy and keeps individual cells at their optimum temperature for longer run times.

Exterior mounted battery

Unlike other manufacturers, EGO batteries fit onto the outside of the tools and are not encased within the tool, which means they stay cool to deliver longer lasting power. To keep them safe and sound, the electronics are protected from dust and moisture by a resin coating and the cells are packaged in a robust case that absorbs shocks and vibrations.

ONE BATTERY POWERS MULTIPLE TOOLS

Our industry-leading 56V ARC Lithium™ batteries work with all EGO Power+ tools, even our Professional-X range. With great performance and long run times, simply select your tool, click in and go.

THE POWER TO OUTPERFORM PETROL

Introducing the innovative EGO Power+ system from the cordless specialists. EGO Power+ delivers petrol-matching power, just without the noise, fuss or emissions.

Our industry-leading 56V ARC Lithium™ battery technology offers a new level of performance, giving you the power you need to keep working hard until the job's done.

With impressive run times and fast recharge, there is no need to purchase or store highly flammable fuel, instead, you get the freedom to work emission-free. For total flexibility, all of EGO's 56V ARC Lithium™ batteries fit every tool in the EGO Power+ 56V range.* Just click in the battery and you're ready to go. When you try this revolutionary cordless system you'll never look back.

Download our latest whitepaper to find out how to increase safety, productivity, sustainability and cost-effectiveness

* 12V Shrub Shears are not compatible with ARC Lithium™ 56V battery system.
** For defects caused by material or manufacturing fault. This does not cover wear and tear. Full terms and conditions are available on our website.
† 30 day money-back guarantee is not available on tools used for professional purposes, 12V shrub/grass shears, batteries and chargers (unless purchased as part of a set).

The support of our service dealer network

EGO approved service dealers can help you select the most suitable tools for your needs, give you face-to-face advice and provide a diagnostic service to keep your tools running for years to come. With a nationwide network of EGO approved service dealers, you're never too far from the support you need.

Satisfaction guaranteed

We offer a 30-day money back guarantee for any domestically used EGO Power+ tools, so if you're not completely satisfied you can return your product for a full refund.†

A tree planted for every tool sold

As part of our commitment to Challenge 2025, EGO have partnered with the Eden Reforestation Projects and pledge to plant a tree for every EGO tool sold in Europe and in addition, each tool that is registered for extended warranty.

Eden Reforestation Projects

Industry-leading warranties

Domestic user

For domestic users we offer a 5-year warranty on all tools and a 3-year warranty on batteries, when registered within 30 days of purchase.**

Professional user

We offer professional users a 3-year warranty on the Professional-X range, and a 2-year warranty on the Professional range when tools are registered within 30 days of purchase.**

SO MANY REASONS TO SWITCH

The EGO Power+ system delivers petrol-matching power without any of the downsides. It's simpler, cleaner, quieter, and with less vibration, it's more comfortable to use. Lower running and maintenance costs means switching to EGO Power+ will lead to long term savings. Plus, with zero emissions during use, you can do your bit to reduce your impact on the environment.

WHY CHANGE FROM PETROL TO EGO POWER+?

FLEXIBLE BATTERY SYSTEM

One EGO battery can power all of your EGO tools

BETTER FOR THE ENVIRONMENT

With zero emissions during use, our 56V ARC Lithium™ battery gives petrol-matching power but without the fuss and fumes

BETTER FOR YOUR HEALTH

EGO Power+ tools always operate at lower noise and vibration levels than traditional petrol-powered tools

EASY SET UP AND STARTING

No filling up with fuel; with EGO Power+ just click in the battery and get to work

LOWER RUNNING COSTS

The cost of running an EGO Power+ product for a month is around the same as using a 2 stroke product for a day*

SAVE TIME

No more trips to the petrol station. EGO's rapid charger refuels batteries in as little as 30 minutes

FOLD FLAT, EASY STORE DESIGN

Unlike large, heavy petrol mowers, the EGO Power+ fold-flat design makes storage, cleaning and transportation simple

NO PETROL TO STORE

No more dangerous fuel in storage, no more fumes, make more space available for other things

*Based on average daily use of 3 litres of post mix fuel per day.

NEW FOR 2022

THE LATEST LAUNCHES FROM THE CORDLESS SPECIALISTS

The 2022 range has been designed to meet Europe's growing outdoor needs, from mowing larger lawns, to charging multiple batteries at the same time, each new product has EGO's unrivalled ARC Lithium™ technology at its core.

Complete compatibility with the EGO battery system means impressive run times and super-fast recharge as standard.

CHOOSE THE RIGHT TOOL FOR ANY TASK

EGO's range of outdoor power equipment is designed to deliver an outstanding level of performance for every outdoor job, providing the right balance of power and usability for domestic, professional and specialist users.

EGO's unique ARC Lithium™ cordless technology combines with best-in-class ergonomic design to deliver maximum power and efficiency for working outdoors.

Work smarter. Work healthier.

Any EGO battery will fit any EGO tool (see pages 10-11), so you can choose the right combination to suit your challenge:

- Range of 7 batteries and 1 backpack battery available, so you can choose the optimum power-to-weight ratio for any task
- Belt and back harness-mounted options for lighter working
- Backpack battery options for the most demanding jobs in all weathers

EGO outdoor power equipment allows you to work in a cleaner, quieter and safer way. EGO delivers the power of petrol, without the emissions, noise and vibration associated with petrol-powered products - better for you and better for the environment.

The best battery power, from the cordless specialists.

**PETROL-MATCHING PERFORMANCE
FOR DOMESTIC GARDENS**

**A complete range of cordless
outdoor power tools, ideal for
regular domestic use.**

EGO Power+ tools are designed for regular use in domestic gardens. EGO Power+ tools gives domestic users, cordless, petrol-matching power without the noise, fuss or emissions. With EGO's outstanding level of performance built-in as standard - tackle every garden maintenance task with ease.

PROFESSIONAL

**HARD-WEARING TOOLS FOR LARGE
GARDENS AND PROFESSIONAL USE**

**A range designed for heavy-duty
use, perfect for large garden
maintenance and landscaping
professionals.**

Ideal for everyday use, the EGO Power+ Professional range gives you the edge when facing tougher tasks for longer periods. This range includes additional features, designed to make light work of larger garden maintenance tasks. Whether working in a large garden or tackling commercial jobs, you can rely on EGO Power+ Professional tools to be powerful, hard-wearing and robust.

PROFESSIONAL X

**SUPER-TOUGH, SUPER-POWERFUL RANGE
FOR PROFESSIONAL AND SPECIALIST USE**

**A super-tough, super-powerful
range of tools designed for garden
maintenance professionals, facilities
management and specialists.**

The EGO Power+ Professional-X range is engineered to work harder, all day, every day, in the most challenging conditions. Ergonomic design meets unrivalled power and performance in the Professional-X range. These tools push the boundaries of battery technology, with the power and performance to surpass petrol-powered equivalents. Built to last, the Professional-X range delivers clean, quiet, safe and productive working.

EGO⁺
POWER

PROFESSIONAL X

SUPER TOUGH. SUPER POWERFUL. THE EGO PROFESSIONAL-X RANGE

When we created the EGO Power+ Professional-X range we set our standards high. Not content with developing a range of tools that redefined what cordless tools can do – we looked to deliver power and performance that exceeds their petrol-powered equivalents.

Designed to work harder, all day, every day, in the most challenging conditions. This range of high-spec tools and backpack batteries takes petrol-free working to a whole new level, ensuring productivity levels remain high.

Built to last and last

All tools in the Professional-X range are engineered to last longer, so you can cut maintenance time down to a minimum. And because they are quieter, lighter, with no emissions and less vibration, you can work comfortably for longer.

Ultimate flexibility

EGO is a name you can rely on. With a history of cordless power innovation, we know the ability to mix and match batteries, backpacks, harnesses and tools is vital. This level of complete flexibility continues with the Professional-X range.

LESS VIBRATION,
LESS NOISE, LESS COST

Another great reason for choosing EGO is that you can power through any job, without the excess physical stresses and strains associated with heavy, noisy and vibrating petrol-powered tools.

A big benefit of choosing EGO's low-vibration cordless tools is how they help users avoid the risk of Hand-Arm Vibration Syndrome (HAVS). Also known as 'Vibration White Finger' it causes painful and disabling disorders of the blood vessels, nerves and joints.

Designed so you can work comfortably all day long

With a smooth brushless motor and fewer moving parts, all EGO Power+ Professional-X tools have been designed to operate with low levels of vibration, often under the 2.5m/s² Exposure Action Value limit (EAV) and well below the Exposure Limit Value (ELV).

This allows you to comfortably work with them all day long without any risk to your health. So, choose EGO Power+ Professional-X and protect yourself every working day.

They are much quieter too

Let's face it; petrol tools are noisy and daily exposure can lead to hearing loss and also tinnitus – a permanent ringing sensation in the ears. Fortunately the EGO Power+ Professional-X range is much quieter than petrol-powered alternatives, reducing the risk of potential damage, especially over long-term use.

Operating noisy equipment can also lead to an increase in work-related stress. Many factors are known to contribute to this condition and rarely there is a single cause. However, because EGO Power+ Professional-X tools operate at lower sound levels, the working environment is quieter and less stressful for the user.

INDUSTRY-LEADING TECHNOLOGY

OPTIMUM PERFORMANCE

EGO's 56V ARC Lithium™ technology is perfectly optimised to provide the best balance between required performance and usable power.

INNOVATIVE ARC SHAPE

With a larger heat sink area the Arc shape battery helps to transfer heat away from every cell to stop overheating and maximise run-times.

KEEP COOL™ TECHNOLOGY

Unique phase-change material (on 5Ah and below) works to manage the heat transfer on every cell to keep the temperature lower for longer.

EXTERIOR MOUNTED BATTERY

Unique to EGO, helps keep the battery cool for longer lasting power.

INTELLIGENT POWER MONITORING

Internal microprocessors and software control every cell for delivery of optimal power, performance and runtime.

SUPER-FAST RECHARGE

When you finally run out of power an EGO battery can be fully recharged in as little as 30 minutes.

COMPLETE COMPATIBILITY

Every EGO battery works with every EGO tool.**

*For portable handheld batteries. **12V Shrub Shears not compatible with ARC Lithium™ 56V battery system.

POWER, COMFORT AND EASE OF USE COMBINED

The ergonomic EGO Power+ backpack harnesses and battery holster are the most comfortable way to enjoy EGO's industry-leading power. An alternative option to attaching the battery directly to the tool, weight is distributed evenly for a lighter, more comfortable way to work.

BH1000 BACKPACK HARNESS

The BH1000 is ideal for taking the weight of the battery from your arms. This provides greater stability and comfort especially when using our larger batteries over prolonged periods.

Image shown as a kit BH1001

BHX1000 PROFESSIONAL-X BACKPACK HARNESS

The BHX1000 has been designed with the professional user in mind and when used together with the AFH1500 harness (supplied separately or as part of a kit) provides exceptional comfort for all day use. The BHX1000 is compatible with the Professional-X series and with the ADB1000 adaptor can be used with all other EGO tools. The AFH1500 Harness (supplied separately) is compatible with the BHX1000 and the BAX1500 Professional-X backpack battery.

ABH3000 PROFESSIONAL-X BATTERY HOLSTER, CABLE AND ARBORIST'S STROP

The holster is designed to house the EGO BA2240T 4.0Ah, Battery which is perfectly matched for use with the EGO Power+ Professional-X Top-handle Chainsaw, to deliver optimal torque and power for professional arborists. The safety-strop attachment integrates with the battery cable and belt or harness to keep you and your team safe in the trees.

A BACKPACK BATTERY THAT WORKS AS HARD AS YOU DO

Team up your EGO Power+ tools with our Lithium-ion backpack

Balancing exceptional run time with user comfort, EGO's Lithium-ion BAX1500 backpack is ergonomically designed to keep you working all day long. The battery pack can be removed from the harness* allowing the battery to be shared amongst multiple users, each with their own harness for improved hygiene. To ensure optimum performance, efficiency and longevity, these high-energy capacity batteries incorporate intelligent individual cell monitoring and balancing, both when it's powering a tool and when it's recharging.

Designed to perform, built to last

The EGO Power+ Backpack Battery can give you a full day's work** from a single charge. The high-quality cells, with high power rating and high energy density, can handle in excess of 1,000 charge cycles. Plus, with fast recharging, you can go from empty to full in just 3.5 hours.

Flexible performance

It's compatible with all EGO Power+ tools, and as the battery is on the harness and not on the tool, the tools are even lighter and easier to use.

BAX1500 PROFESSIONAL-X BACKPACK BATTERY

The EGO Power+ Professional-X backpack battery delivers the power output and run times needed for demanding jobs. In fact, it outperforms many of the petrol products currently in use. All minus the noise, emissions and vibration.

To ensure the battery's toughness and durability, we tested it to the extreme too, the Professional-X backpack battery can handle the heaviest downpours and still power the tool. Plus, the super robust casing is designed to take all of the knocks you can throw at it.

FROM EMPTY TO FULLY CHARGED IN JUST 30 MINS

With a range of battery sizes available from 2.5Ah to 28Ah, you can choose the power you need to tackle any task. When it's time to recharge, the EGO Power+ rapid charger is the fastest on the market. The intelligent battery control system constantly monitors each cell's power and temperature to deliver the most efficient and quickest charge.

Plus, the fan-cooling system allows the battery to start charging sooner and finish faster. As a result, the time it takes to refuel the battery is often less than the run time you get from a full charge. In fact with the rapid charger, the 2.5Ah battery takes just 30 minutes.

NEW FOR 2022

CHARGE 6 PORTABLE EGO BATTERIES AT THE SAME TIME

EGO's Professional Multi-Port Charging Case will charge any combination of up to six EGO portable batteries at the same time – ideal for professional users.

EGO's intelligent power management system charges batteries with the lowest level of charge first, then brings all the batteries up to full charge at the same rate. Charging 6x 10Ah batteries in as little as 3 hours in combination with the 1600W charger.

The Multi-Port Charging Case can be used directly with the EGO CHV1600E 1600W Charger or with the EGO 550W Rapid Charger (see page 111) when combined with the ACA1000 EGO Charging Adaptor.

EGO
POWER⁺ MOWER

WITH A RANGE OF CUTTING CAPACITIES,
SELF-PROPELLED MODELS, AND PUSH BUTTON
START, TACKLE ANY SIZE LAWN WITH EASE.

THE POWER OF PETROL WITHOUT THE EMISSIONS

With lower running costs, zero emissions and significantly quieter than a petrol mower, the EGO Power+ mower range offers a variety of key features and cutting capacities to suit any lawn.

The self-propelled motor keeps you in control and makes light work of slopes and undulations. On a single charge our battery gives you up to 1,900 sqm cutting area.* Automatic Variable Speed on selected models, delivers optimal cutting speed to maximise battery run time whilst maintaining grass cutting performance for different conditions.

The 3-in-1 functionality lets you drop, bag or mulch clippings (mulching kits are sold separately), while the LED headlights let you work further into the day. The efficient grass collection system, uses all available space in the collection bag, meaning less-frequent emptying. And when you're done, the easy-fold design makes cleaning and storage simple.

AVAILABLE IN A RANGE
OF CUTTING WIDTHS
42, 47, 50, and 52 cm
cutting width options to
suit any size of lawn

HIGH TORQUE,
HIGH-EFFICIENCY MOTOR
For operation in all conditions

LED HEADLIGHTS
Work further into the day

QUICK RELEASE
TELESCOPIC HANDLE
For easy cleaning and
compact storage

PUSH BUTTON START
Power up in seconds

SELF-PROPELLED MOTOR
Take the strain out of
mowing sloping ground

BAG FULL INDICATOR
Lets you know when
the bag needs emptying

ADJUSTABLE
HANDLE HEIGHT
Easily adjusts to suit you,
and the job in hand

LARGE CAPACITY BAG
Collects more grass
and requires emptying
less frequently

LARGE DIAMETER
WHEELS
For easy motion on
different terrains

6-POSITION SPRING LOADED
DECK HEIGHT ADJUSTMENT
Easily set different grass
cutting heights from 20-95mm

FOLDS IN
SECONDS
For convenient storage
and easy cleaning

Model shown: LM1900E-SP
Please note: some features are not available on all models

*Based on a 12.0Ah battery using LM1900E-SP. Cutting area can vary depending on model and battery as well as condition of grass and user operation technique.

A MOWER FOR
EVERY LAWN.
THE RIGHT TOOL
FOR THE JOB

The EGO Power+ mower range showcases a variety of specifications designed to make lawn care quicker, easier and more efficient. And with model sizes ranging from 42cm to 52cm cutting width, there's an option for every task and size of lawn.

Technologically advanced in every way, each mower packs incredible petrol-matching power as standard. Thanks to our revolutionary ARC Lithium™ 56V battery system, they make minimal noise, emit zero emissions, and start up at the touch of a button.

While these benefits apply to all EGO Power+ mowers, key differences make some models better suited to specific kinds of gardens.

Check out our handy diagram to the right to identify the size of lawn you can cut on a single charge, and therefore the mowers that are suitable for you.

Choosing the RIGHT mower:

Small, tight spaces,
or close to trees

For smaller spaces and improved precision around obstacles, mowers with a smaller cutting capacity are ideal.

Our compact 42cm models LM1700E or LM1700E-SP are perfect for smaller spaces.

Bigger, open spaces

A mower with a wider cutting capacity will help you cover more ground in fewer passes. Opting for a bigger battery will increase run time, as will variable automatic cutting speed control. For a faster cut, a larger capacity bag can collect more grass and needs emptying less often.

Try our 52cm model LM2130E-SP which makes even the biggest jobs feel small.

Sloping ground

Using a self-propelled mower takes the strain out of pushing the mower uphill.

Our self-propelled mowers, LM1700E-SP, LM1900E-SP, LM2020E-SP and LM2130E-SP are available in different cutting capacities to suit the size of your lawn, choose a wider cutting capacity for less passes.

Additional comfort

If comfort is a priority, poly deck models are the lightest option. Self-propelled mowers require less effort, and with an adjustable handle, you can decide on the most suitable height.

Most of our mowers are available with a poly deck (Excluding LM2020E-SP) - just choose the cutting capacity to suit the size of your lawn.

Finishes

The EGO Rear Roller Kit is a simple and effective way of enabling your EGO mower to stripe your lawn, giving you a manicured look whilst keeping the versatility of being able to mulch and rear discharge clippings.

REAR ROLLER KITS

Just add an EGO Rear Roller Kit to enable your EGO mower to stripe your lawn (please check that a Rear Roller Kit is available for your model - see below).

AR1700 available for LM1700E, LM1700E-SP
AR1900 available for LM1900E, LM1900E-SP

Grass cutting options

There are 3 different ways that EGO Power+ mowers deal with cut grass. Great for lawns that aren't too thick, mulching redistributes grass particles and fertilising nutrients. Drop cuttings or rear discharge (side discharge for metal deck mower), allows for quicker mowing through thick and long grass. Bag collection keeps lawns clear of any cuttings.

MULCHING KITS

The EGO Power+ Mulching Kit will allow the mower to cut and distribute fine grass cuttings back into the lawn to help retain moisture and nutrients for a healthier lawn.

ABP1700 available for LM1700E, LM1700E-SP
ABP1900 available for LM1900E, LM1900E-SP

SELECT CUTX

Interchangeable multi-blade cutting system that allows you to choose between specialist mulching blade and bagging blade... to either distribute fine cuttings into your lawn or to collect cuttings into the large collection bag.

ABP2100D-E available for LM2130E-SP

LM1700E
42cm MOWER

Perfect for precision mowing in smaller spaces and medium sized gardens with level ground. Includes a 55L collection bag.

ACCESSORIES ALSO AVAILABLE

ONLY AVAILABLE AS KIT LM1701E

CUTS UP TO 400SQM ON A SINGLE CHARGE

Z6

ZERO-TURN RIDE-ON MOWER. TRULY GROUNDBREAKING

The battery-powered EGO Power+ Z6 Zero-turn Ride-on Mower is a ZTR like nothing else out there.

Featuring Peak Power™+ technology, it can hold up to six EGO 56V ARC Lithium™ batteries (sold separately) - the same unique battery technology that powers all EGO products, making it the world's first platform-compatible ride-on mower.

Power like no other

Delivering the equivalent power of a 22 horsepower petrol engine, with none of the emissions, the Z6 covers up to 2.5 acres on a single charge with six 12Ah batteries. You can tailor the combination of batteries exactly to match the size of your lawn, and to how you prefer to cut your grass - unlike any other battery-powered ZTR on the market. The industry's fastest charger fully charges the batteries in just 3 hours, 4x faster than any of the competition, while the four independent brushless motors deliver the power and performance of petrol to get the job done.

PEAK POWER+ TECHNOLOGY

Combines the power of up to
6 56V EGO ARC Lithium™ batteries

Cuts up to 2.5 acres on a single
charge with six 12Ah batteries

3-in-1 Functionality - Side Discharge,
Mulch or Collect (bag available to
purchase separately)

22 horsepower equivalent

Fully customisable
to suit your ride

Z6

POWERED FOR THE BACK GARDEN AND BEYOND

The EGO Power+ Z6 Zero-turn Ride-on Mower covers up to 2.5 acres on a single charge with six 12Ah batteries.* The combination of batteries can be tailored exactly to match the size of your lawn, and to how you prefer to cut your grass.

CUSTOMISE YOUR RIDE
3 DRIVING MODES: CONTROL,
STANDARD & SPORT

PEAKTM POWER+ TECHNOLOGY

THE WORLD'S FIRST PLATFORM COMPATIBLE ZTR

The Z6 is the world's first platform-compatible ZTR, powered by any combination of EGO 56V ARC Lithium™ batteries.

Peak Power+™ technology combines the power from as few as two to as many as six EGO 56V ARC Lithium™ batteries to deliver the power and performance of a petrol mower. The convenience of universal battery compatibility means the same battery can be used in any other EGO Power+ tool, so you can get even more done.

EGO[™]
POWER⁺ CHAINSAW

BUILT FOR THE TOUGHEST JOBS, POWERED BY
OUR 56V ARC LITHIUM[™] BATTERY TECHNOLOGY,
NOTHING GETS IN THEIR WAY.

BUILT FOR THE TOUGHEST TASKS

The EGO Power+ chainsaws are built to tackle even the hardest jobs. Trunks, logs, branches, nothing gets in their way.

Choose simple, safe Auto Chain Tensioning to maintain proper tension during use or opt for tool-free chain tensioning for easy set up and adjustment. Check the lubrication level through the oil inspection window and you're ready to go.

The electronic chain brake protects against kickback while you work. And the auto-lubrication system keeps the chain moving freely at all times.

Plus with EGO's 56V ARC Lithium™ battery delivering such an impressive run time and incredible power on a single charge, it'll keep you working cut after cut.

Please note: some features are not available on all models.
Model shown: CS1800E
*Available on selected models

AUTO CHAIN TENSIONING

SIMPLE, SAFE CHAIN TENSIONING

The EGO Power+ 18 inch chainsaw with Auto Chain Tensioning is built to tackle tough jobs. With a high speed 20m/s chain speed and a powerful motor, nothing will get in its way.

All guesswork is removed when it comes to the correct chain tension thanks to an auto tensioning feature. When replacing or tensioning the chain, simply loosen the sprocket cover on the saw, re-tighten and you're ready to go.

SIMPLE ADJUSTMENT

For safe and effective chain tensioning.

Durable bar and chain

CS1800E
45cm CHAINSAW

A chain speed of 20m/s, provides all the power and torque needed to quickly cut through thick branches and larger logs up to 45cm (17.5ins) in width.

CS1400E
35cm CHAINSAW

Perfect for easily cutting through branches and medium-sized logs up to 35cm (approx. 14ins) in width.

AVAILABLE
AS A KIT

NEW FOR 2022

CS1610E
40cm CHAINSAW

An outstanding combination of high torque and chain speed – perfect for easily cutting through branches and medium-sized logs up to 40cm (approx. 16ins) in width.

AVAILABLE
AS A KIT

BCS1000
CHAINSAW BAG

Durable bag with oil tray and folding scabbard cover for safely transporting chainsaws. Separate pockets for storing accessories.

Available separately, see page 112.

INTELLIGENT TREE SURGERY

Providing the best combination of torque, power and design. EGO's CSX300, Top Handle Chainsaw from the Professional-X range, was created with the arborist specialist in mind and is able to tackle the challenges of all-day professional use.

With industry-leading ARC Lithium™ battery technology at its heart, the Top Handle Chainsaw provides an unrivalled combination of power, torque and chain speed, whilst benefitting from long run-times and fast recharge. And with no pull-chord, no need to run the tool in idle and no hot exhaust, switching to EGO ARC Lithium™ power makes more sense than ever.

A unique Chain-Brake Safety System is a cutting-edge combination of mechanical and electronic technology reducing the risk of injury, stopping the tool's motor faster if kickback occurs.

Additional features on the tool make working at height even easier – the Battery-Level Indicator Light alerts you when 10% of battery power is left, while the visible Oil Indicator Light comes on when the tool needs a top up.

Suitable for every tree-top job with a range of chain bars available, from 12" - 16", the EGO Top Handle Chainsaw makes the task in hand, easier, cleaner, quieter and safer.

It's time to get to grips with the new best in class.

ABH3000 BATTERY HOLSTER BA2240T 4Ah BATTERY

Battery holster cable integrates with the safety strap to securely attach to the belt and harness. The 4Ah battery has been designed with the optimal power-to-weight ratio for use by professional arborists.

Available separately, see pages 26 and 29.

EGO
POWER⁺ PROFESSIONAL X
TELESCOPIC POLE SYSTEM

MAXIMUM REACH, MANOEUVRABILITY
AND CUTTING POWER FOR HIGH
BRANCHES AND HEDGES.

THE FLEXIBILITY TO CUT HIGH BRANCHES OR HEDGES

EGO's telescopic pole system enables you to work on those harder to reach jobs without the need for platforms or ladders.

The telescopic pole has a tool-free interchangeable head system which can be set up to work with either the pruning saw or hedge trimmer attachment in just a few seconds.

The telescopic pole houses the battery and dual-trigger controls and has an extendable reach up to 4 metres.

There are several trigger points to provide great reach and maneuverability relevant to the application.

When fully extended the tool meets the maximum allowable lengths, with great balance, articulation and ergonomics.

IN-LINE BATTERY POSITION
For optimum balance during use

REAR FOOT
Replaceable carrying
handle, protection against
bumping and dropping

DOUBLE TRIGGER
CONTROLS
Comfortable,
safe and reliable

DUAL LOCKING SYSTEM
Easy to change attachment
with thumb screw locking

ALUMINIUM OVAL SHAFT
Robust design for comfort,
grip and reach

PROFESSIONAL-X TELESCOPIC
HEDGE TRIMMER ATTACHMENT
Cut hedge branches up to 26mm in diameter.
6-position articulation and additional twist rotation

PROFESSIONAL-X TELESCOPIC
PRUNING SAW ATTACHMENT
The power, torque and chain-speed to cut
branches up to 200mm in diameter

PPX1000 PROFESSIONAL-X TELESCOPIC POLE

Use with the EGO Power+ Professional-X Pruning Saw and Hedge Trimmer attachments*, and with any of EGO's 56V ARC Lithium™ batteries. Extends up to 4m** in length to easily reach high branches and hedges, and ideal for low hedges when set to a shorter extension.

EGO™
POWER⁺ LINE TRIMMER
& BRUSH CUTTER

THE PERFECT COMBINATION OF POWER, BALANCE
AND COMFORT, OUR LINE TRIMMERS AND
BRUSH CUTTERS CUT EVERY JOB DOWN TO SIZE.

TRIM WITH POWER AND CONTROL

Powered by the 56V ARC Lithium™ battery, EGO Power+ line trimmers give you all the power you need to tackle the toughest jobs. The quick-adjust loop-handle can be positioned for optimum balance and control, while the large cutting swathe cuts any task down to size. Plus, the variable speed control ensures consistent trimming every time.

Built with ease-of-use in mind, ergonomic design, super-fast charging and groundbreaking Powerload™ technology* combine to create a truly revolutionary tool.

EGO's range of Line Trimmers includes options suitable for different types of terrain and even the toughest rough ground; wider handles for control over larger areas and bigger tasks, single-shoulder and double-shoulder harnesses for extra comfort and support, plus a Brush Cutter blade head for tackling tougher undergrowth.

POWERLOAD™ TECHNOLOGY

At the press of a button, loads new line in seconds*

PROTECT
THE AREA
AROUND YOU

The EGO Professional-X Rotocut attachment cuts through grass, weeds and moss on concrete, pathways and verges with ease.

Featuring two counter-rotating blades instead of line, it maximises run-time and reduces vibration. Most importantly, it prevents debris from being thrown, making it ideal for use in built-up areas where risk of damage or injury is particularly acute. With a low profile on the gear box, it can take on the most difficult to reach areas.

The base plate is mounted on bearings, increasing the overall life of the tool and reducing pavement damage. The blades have been designed to ensure clean and efficient cutting performance whilst maintaining durability.

Rotocut can be used with any rear motored tools or EGO line trimmer multi tools, making it the ultimate attachment for added precision and protection.

RTX2300
PROFESSIONAL-X ROTOCUT

Rotocut's flat design and simple attachment process means it can fit to most rear motor brush cutters and line trimmers on the market.

LINES, BLADES AND ACCESSORIES TO SUIT EVERY JOB

EGO have a range of lines, blades and harnesses to suit any trimming or cutting job, plus a range of replacement cutting heads for all EGO Line Trimmer products.

Lines for Line Trimmers

Choose a smaller line thickness for clearing long grass and lighter vegetation, or a larger, more durable line thickness for cutting down heavier, dense vegetation. Commercial, more powerful Line Trimmers are more suitable for the heavier lines, while twisted lines are quieter during use. For simple line replacement - choose a pre-wound spool for compatible tools. *See our simple guide to choosing the right line below.*

Brush Cutting blades

For cutting down heavier vegetation, bushes and verges, choose a Brush Cutting blade - available in metal and flexible plastic options, depending on how heavy the task is. The flexible Elastoblade will make lighter work of dense vegetation.

Rotocut Blades

Replacement Rotocut blades will fit the EGO Power+ Rotocut attachments, which are ideal for working through tough-to-shift growth in paths and drives, and along the base of walls and curbs.

Cutting heads

Replacement cutting heads are available for EGO Line Trimmer machines with standard, bump-feed and PowerLoad™ heads.

Straps and Harnesses

A full range of replacement straps and harnesses are available for EGO Line Trimmer machines, to make tackling the job easier.

Choosing the CORRECT line or blade for the job:

EGO™
POWER⁺ HEDGE TRIMMER

LIGHT, YET POWERFUL, OUR NEXT GENERATION OF
CORDLESS HEDGE TRIMMERS GIVE YOU ALL THE COMFORT
AND CONTROL YOU NEED TO GET THE JOB DONE.

COMPACT WITHOUT COMPROMISE

They may be compact, but they don't compromise on power. Brought to life by a 12V Lithium-Ion battery, the EGO Power+ shrub/grass shears are ideal for everyday garden maintenance.

With two attachments included, use the shrub blade to shape and maintain smaller hedges and ornamental trees, or switch to the grass trimmer blade to tackle areas of grass that mowers can't reach. A lightweight, ergonomic design allows for unparalleled precision in either mode, so you can get the perfect result every time.

Simple to use and easy to store, they're an essential addition to every gardener's arsenal.

BALANCED, PRECISE, POWERFUL

Engineered to deliver impressive cutting ability from a single charge, the EGO Power+ Hedge Trimmer's well-balanced design and clever features makes working outdoors easier and more comfortable.

The rotating handle and dual trigger system provide enhanced user comfort and safety. While the smooth and quiet brushless motor and gearbox gives you all the power you need, without the vibration, emissions and noise of a petrol engine.

EGO hedge trimmer blades are laser cut, diamond ground and double sided for clean, precise cutting. All blades have large cutting capacities for tackling thicker hedges and are available in 51cm to 65cm lengths, to suit every size of hedge. Blade-tip protection stops damage from fences and walls.

For safer working, the safety blade guard helps prevent injuries while the electric brake stops the blades when the trigger is released.

BLADE TIP PROTECTOR
Prevents blades becoming damaged by fences and walls

LASER CUT, DIAMOND GROUND, DOUBLE-SIDED CUTTING BLADES
Cleaner, more precise cutting

LARGE CUTTING CAPACITY
For tackling thicker hedges and large branches

ELECTRIC SAFETY BRAKE
Stops blade when trigger is released

DUAL ACTION BLADES
For less vibration when cutting

ROBUST METAL ALLOY BRUSHLESS MOTOR HOUSING AND GEARBOX

TWO-SPEED SELECTOR
Select the correct speed for each trimming task

ROTATING REAR HANDLE
Adjustable for comfort and control in use

SAFETY BLADE GUARD
Helps prevent injuries

EGO™
POWER⁺ BLOWER & SNOW THROWER

WITH HIGH-EFFICIENCY BRUSHLESS MOTORS AND JET TURBINE TECHNOLOGY, EGO POWER⁺ BLOWERS AND SNOW THROWER OFFER MAXIMUM AIRFLOW WITH MINIMUM EFFORT.

BLOWS PETROL-POWERED BLOWERS OUT OF THE PARK

Powered by a high-efficiency brushless motor, EGO Power+ blowers feature jet turbine technology and a large diameter tube to give maximum airflow.

Significantly quieter and with zero emissions, the EGO range of blowers offer a genuine alternative to petrol power.

Designed to keep you in control - from low speed, low volume airflow for those delicate areas, to high speed, high volume airflow for hard-to-shift wet leaves and objects. With more power than most handheld petrol blowers on the market, that's more than enough to clear up even the biggest windfall.

Model Shown: LB5800E

Please note: some features are not available on all models

Compatible with EGO Power+ backpack batteries

Clears stones from driveway

LB5300E
BLOWER

Variable speed setting, large blower tube, up to 900m³/h output in Boost, for clearing small to medium-sized spaces.

Includes AN5300 Flat Nozzle

AVAILABLE
AS A KIT

LB5800E
BLOWER

Variable speed thumb selector for added airflow control with single handed use, 986m³/h output in Boost, for completing bigger tasks across wider areas and large gardens.

BACKPACK BLOWER

The hugely powerful, yet ergonomic design is easy to use
and packed with all the features you need.

Includes M16002 tube and nozzle see page 112

THE BACKPACK BLOWER THAT PACKS A PUNCH

Big jobs need big power. And that's what the EGO Power+ backpack blower delivers. With the ability to blow over 1020m³ of air per hour on Max mode, the leaves don't stand a chance. With up to 2 hours run time* you can cover plenty of ground too.

But there's more to this clever blower than simply packing a punch. The smooth brushless motor significantly reduces vibration compared to its petrol-powered equivalents. It's a lot quieter too. The comfortable padded backpack frame supports the blower, taking the strain off your arm and distributing the weight more ergonomically, making the backpack blower perfect for those really big jobs.

EFFICIENT SNOW CLEARANCE IN THE MOST EXTREME CONDITIONS

The EGO POWER⁺ Professional 2-Stage Snow Thrower delivers the power and performance of equivalent petrol-powered products, without the noise, fuss and emissions.

Peak Power[™] technology combines the power of any two EGO 56V ARC Lithium[™] batteries to tackle the toughest snow conditions with ease - two batteries are used to provide maximum power when tackling tougher jobs. Variable-speed self-propelled control ensures ease of use, while a reverse gear makes getting out of tight spots easier.

The 61cm clearing-width and 51cm intake-height can handle even the deepest snow quickly. More than 35cm depth of snow can be cleared with ease from an 8-car driveway, while the 4 LED lights help make early morning or evening clearing easy. Variable-speed augers and 200° chute adjustment give you complete control of direction and throwing distance of up to 13 metres, while the on-board controls are easy to operate, even when wearing bulky winter gloves.

SNT2400E
61 CM SELF-PROPELLED 2-STAGE
SNOW THROWER WITH PEAK POWER[™]

Peak Power[™] technology delivers maximum power so the EGO Snow Thrower can tackle the deepest snow with ease. The generous clearing width and intake-height work with the multi-directional shoot to clear snow quickly even in extreme conditions.

EGO[™]
POWER⁺ MULTI-TOOL

WE'VE REDEFINED FLEXIBLE WORKING. CUT, SAW,
EDGE AND MORE. ALL WITH ONE POWER UNIT AND
ALL WITHOUT THE FUSS AND FUMES OF PETROL.

THE EGO POWER+ MULTI-TOOL. ONE TOOL, LOTS OF OPTIONS

The EGO Power+ multi-tool is the outdoor power tool you can't do without. With a single power unit and a large range of high-tech attachments, you can easily tackle every garden task, whether you're trimming grass, edging lawns, cutting hedges, sawing branches, tilling soil or sweeping the patio.

Switching between different jobs is easy thanks to the simple and secure tool-free coupling system on every attachment.

And with our carbon fibre extension pole, even the hardest to reach places are no challenge for the multi-tool. Combined with the innovative 56V ARC Lithium™ battery, you have all the power you need, without the noise, fuss or emissions of petrol-powered tools.

01 EGO POWER+ HEDGE TRIMMERS

A choice of standard or short pole lengths to suit high and low hedges

02 EGO POWER+ POLE SAW

Slices through tree branches fast and efficiently

03 EGO POWER+ LINE TRIMMER

Trim grass along fences and walls with precision

04 EGO POWER+ BRUSH CUTTER

Cuts through tough undergrowth, thick grass and weeds with ease

05 EGO POWER+ ROTOCUT

Cuts through grass, weeds and moss on concrete, pathways and verges without throwing up stones and debris

06 EGO POWER+ EDGER

Achieving a perfect edge to any lawn has never been easier

07 EGO POWER+ CULTIVATOR

The simple way to prepare soil for planting

08 EGO POWER+ BRISTLE BRUSH & PADDLE BROOM

Clears moss, wet leaves and water from hard surfaces with ease

09 EGO POWER+ OLIVE SHAKER

Shake ripe olives off branches

10 EGO POWER+ SNOW SHOVEL

Keeps pathways clear of snow

MULTI-TOOL POWER HEAD

Ready for any job, big or small

THE POWER TO TACKLE ANY TASK

PH1400E MULTI-TOOL POWER HEAD

With a powerful and smooth high-efficiency brushless motor, it's lightweight, perfectly balanced and ready for any job, big or small.

Includes AP1500 Single Shoulder Harness

	PH1400E

LOOP HANDLE
For comfortable use

POWERFUL REAR MOUNTED MOTOR
Smooth, lightweight high-efficiency
brushless motor, provides the power for
all EGO Power+ multi-tool attachments.

VARIABLE SPEED TRIGGER
With safety lock-off

TWO-SPEED RANGE
SELECTOR
Works with the variable
speed trigger to select
the correct speed for
each task

EP7501 EXTENSION POLE

Nothing is out of reach with this strong yet lightweight extension pole. Just click in the attachment you need and off you go.

TOTAL LENGTH: 78cm
WEIGHT 600g

ONE REVOLUTIONARY POWER UNIT. SO MANY WAYS TO USE IT

01 HEDGE TRIMMERS

With a choice of standard or short pole lengths available, tackling high or low hedges is made easy. The head angle is adjustable to suit the job at hand and allows for compact storage.

06 EDGER

Give lawns a professional finish with the edger attachment. Ideal for neatening edges along paths, driveways or flowerbeds.

02 POLE SAW

Slices through tree branches fast and efficiently. Combine with the carbon fibre extension pole to reach further and cut more.

07 CULTIVATOR

The cultivator prepares soil prior to planting. Removing weeds and introducing air, it creates a loose bed, encouraging the growth of healthy plant life.

03 LINE TRIMMER

Trim grass along fences and walls with precision. Includes our Rapid Reload head, making it easy to replace line.

08 BRISTLE BRUSH & PADDLE BROOM

The bristle brush makes short work of sweeping away moss, wet leaves and ingrained dirt, whilst the paddle broom makes it easy to clear away standing water.

04 BRUSH CUTTER

The brush cutter is built to deal with difficult undergrowth. From thick grass to tough weeds, it cuts through the toughest tasks with ease.

09 OLIVE SHAKER

Shake ripe olives off branches at approximately 2000 strokes per minute, with 10 replaceable carbon fibre fingers, a durable and market tested gearbox and integrated lubrication for simple maintenance.

05 ROTOCUT

Cuts through grass, weeds and moss on concrete, pathways and verges with ease. Featuring two counter-rotating blades, preventing debris from being thrown.

10 SNOW SHOVEL

The Snow Shovel is excellent for clearing snow quickly from patios, decks and driveways.

HTA2000
HEDGE TRIMMER ATTACHMENT

Laser cut, diamond ground blades and simple angle adjustment makes this trimmer as precise as it is powerful.

STA1500
LINE TRIMMER ATTACHMENT

This attachment is packed with features to save you time and help you work safely, quickly and efficiently.

HTA2000S
SHORT HEDGE TRIMMER ATTACHMENT

With the same sharp blades and quick cutting action, this attachment makes short work of low, deep hedges.

BCA1200
BRUSH CUTTER ATTACHMENT

Tough enough to take on anything, the three-sided metal blade makes short work of any overgrown area.

PSA1000
POLE SAW ATTACHMENT

25cm guide bar and chain make cutting branches fast and efficient.

RTA2300
ROTOCUT ATTACHMENT

Cuts through grass, weeds and moss with ease. Featuring two counter rotating blades which prevent debris from being thrown make it ideal for use in delicate areas.

EA0800
EDGER ATTACHMENT

With quick depth adjustment and handy guide, this attachment makes achieving a perfect edge easy.

OSA1000
OLIVE SHAKER ATTACHMENT

10 carbon fibre fingers shake and drop olives from their branches in no time at all.

CTA9500
CULTIVATOR ATTACHMENT

The easier way to prepare soil for planting, the cultivator's rotating teeth remove weeds and aerates soil.

SSA1200
SNOW SHOVEL ATTACHMENT

The Snow Shovel is excellent for clearing snow quickly from patios, decks and driveways.

Available Winter 2022

BBA2100
BRISTLE BRUSH ATTACHMENT

Clear moss and wet leaves from hard surfaces easily with the new bristle brush attachment.

BMH1000
WHEELED MULTI-TOOL BAG

Wheeled bag for easily transporting multi-tool power head and attachments. Separate pockets for storing accessories.

Available separately see page 112.

Cuts of PSA1000 is based on cuts of 100x100mm.

BE READY FOR ANYTHING WITH EGO POWER+ MULTI-TOOL KITS

A great value way to enjoy all the benefits of petrol-free power. EGO Power+ multi-tool kits combine the most popular tools you'll need, with the power and performance to get the job done

MHCC1002E
MULTI-TOOL KIT

With everything you need to tackle all jobs above the ground, this kit includes the power head with hedge trimmer and pole saw attachments together with a 2.5Ah battery and rapid charger.

Includes:
PH1400E - Power head
HTA2000 - Hedge trimmer attachment
PSA1000 - Pole saw attachment
BA1400T - 2.5Ah battery
CH5500E - Rapid charger
AP1500 - Single-shoulder harness

MHSC2002E
MULTI-TOOL KIT

Our ultimate multi-tool kit includes the power head with line trimmer, hedge trimmer, pole saw and edger attachments, along with a 5.0Ah battery and rapid charger.

Includes:
PH1400E - Power head
STA1500 - Line trimmer attachment
HTA2000 - Hedge trimmer attachment
PSA1000 - Pole saw attachment
EA0800 - Edger attachment
ABB1203 - Brush cutter blade
BA2800T - 5.0Ah battery
CH5500E - Rapid charger
AP1500 - Single-shoulder harness

EVERYTHING YOU NEED TO KEEP YOU CUTTING, MOWING AND BLOWING

EGO POWER+ MULTI-TOOL BLADES, CHAINS, BARS AND TELESCOPIC POLE SAW

AE0800 Multi-tool edger blade for EA0800	
AC1000 Pole saw chain for PSA1000 and PSX2500	
AG1000 Pole saw bar for PSA1000 and PSX2500	
ACB9500 Multi-tool cultivator blade set for CTA9500	
ARB2100 Paddle broom (pair) for BBA2100	
ABS2100 Bristle brush (pair) for BBA2100	
A0F3300 Olive Shaker fingers (10pcs) for OSA1000	

EGO POWER+ MOWER BLADES AND ROLLERS

AB2001 Bagging blade for LM2010E, LM2010E-SP, LM2020E, LM2020E-SP [fitted as standard]	
AB2101 52cm bagging blade for LM2100E-SP, LM2120E-SP [fitted as standard]	
AB2102D-E 52cm dual bagging blade for LM2130E-SP (2 blade set) [fitted as standard]	
AB2000 Mulching blade for LM2000E, LM2010E, LM2010E-SP, LM2020E, LM2020E-SP	
AB2100 52cm mulching blade for LM2100E-SP, LM2120E-SP	
AB2100D-E 52cm dual mulching blade for LM2130E-SP (2 blade set)	
AB1700 42cm mulching blade for LM1700E, LM1700E-SP	
AB1900 47cm mulching blade for LM1900E, LM1900E-SP	
AB1701 42cm bagging blade for LM1700E, LM1700E-SP [fitted as standard]	
AB1901 47cm bagging blade for LM1900E, LM1900E-SP [fitted as standard]	

AB4200 53cm standard blade (side discharge, mulching & bagging) for ZT4200E-L - single blade	
AB4201 53cm high-lift blade (improved bagging) for ZT4200E-L - single blade	
AMP4200 Mulching plug for ZT4200E-L	
ABK4200-A Bagging kit for ZT4200E-L	
AR1700 42cm rear roller kit for LM1700E, LM1700E-SP	
AR1900 47cm rear roller kit for LM1900E, LM1900E-SP	

MULCHING KITS

ABP1700 Mulching kit (blade & mulching plug) for LM1700E, LM1700E-SP	
ABP1900 Mulching kit (blade & mulching plug) for LM1900E, LM1900E-SP	
ABP2100D-E 52cm mulching kit (mulching blade set & mulching plug) for LM2130E-SP	

EGO POWER+ ADAPTOR

ADB1000 Adaptor for use with BH1000, BH1000, BAX1300, BAX1500	
ACA1000 For use with the EGO 550W Rapid Charger	

EGO POWER+ TRIMMER LINES

AL2015T ◆ 15m 2.0mm low-noise twist line (STRATUS)	
AL2050T ◆ 50m 2.0mm twist line - ST1300E and ST1400E-ST	
AL2715T ◆ 15m 2.7mm low-noise twist line [red/green] - STX3800, BCX3800	
AL3012T ◆ 12m 3.0mm low-noise twist line [yellow/green] - STX3800, BCX3800	
AL2475T ◆ 75m 2.4mm low-noise twist line [orange/green] - ALL 35cm & 38cm cutting diameter grass trimmers	
AL2760T ◆ 60m 2.7mm low-noise twist line [red/green] - STX3800, BCX3800	
AL3050T ◆ 50m 3.0mm low-noise twist line [yellow/green] - STX3800, BCX3800	
AL2415R ● 15m 2.4mm round line [orange] - ALL 35cm & 38cm cutting diameter grass trimmers	
AL2715R ● 15m 2.7mm round line [red] - STX3800, BCX3800	
AL3012R ● 12m 3.0mm round line [yellow] - STX3800, BCX3800	

AL2490R ● 90m 2.4mm round line [orange] - ALL 35cm & 38cm cutting diameter grass trimmers	
AL2780R ● 80m 2.7mm round line [red] - STX3800, BCX3800	
AL3060R ● 60m 3.0mm round line [yellow] - STX3800, BCX3800	
AL2416P ◆ 4 x 4.0m 2.4mm twisted line [black/orange] - ST1400E-ST, ST1510E	

EGO POWER+ LINE TRIMMER SPOOLS

AS3800 Spool w/o line for bump feed cutting head - BCX3800, STX3800	
AS1301 Spool with 2.0mm round line for standard bump feed cutting head - ST1210E	
AS1302 Spool with 2.0mm twist line for standard bump feed cutting head - ST1300E	
AS1300 Spool with 2.4mm twist line for standard bump feed cutting head - ST1500E, BC1500E	

EGO POWER+ LINE TRIMMER HEADS

AH3800 Bump feed cutting head without line - STX3800, BCX3800	
AH3810 ANY INSERT cutting head - ANTI-CLOCKWISE - STX3800, BCX3800, ST1530E, BC3800E, STA1500, BCA1200	

AH1500 Rapid reload head (clockwise rotation) for ST1500E-F and BC1500E-F	
AH1501 Rapid reload head (anti clockwise rotation) for BC3800E, ST1530E and STA1500	
AH1520 Powerload™ cutting head for ST1510E	
AH1522 Powerload™ cutting head for ST1400E-ST	
AH1530 ANY INSERT cutting head - CLOCKWISE - ST1500E-F, BC1500E-F	
AH1531 ANY INSERT cutting head - ANTI-CLOCKWISE - ST1530E, BC3800E, STA1500	
ABT3800 Bump feed button - AH3800	
ABR2300 Replacement blades (pair) - ROTOCUT RTX2300, RTA2300	

EGO POWER+ BRUSH CUTTER BLADE

ABB1203 3 point brush cutter blade - STX3800, BCX3800, ST1530E, BC3800E, BCA1200, STA1500	
ABB0903P Elastoblade Flexible trimming blade for - STX3800, BCX3800, ST1530E, BC3800E, BCA1200, STA1500	

EGO POWER+
HEDGE TRIMMER
TIP PROTECTOR

ATP2000
Tip protector for HTA2000,
PTX5100

EGO POWER+
GRASS SHEARS

CCH0450E
12V charger for CHT2001E

CBA0240
2.0Ah 12V battery for CHT2001E

EGO POWER+
BAGS

BCS1000
Durable Chainsaw kit bag

BMH1000
Multi-tool wheeled
kit bag

CM001
Storage cover for lawnmowers

CRM001
Storage cover for Z6

EGO POWER+
CHAINSAW CHAINS

AC1200
30cm 90PX chain for CSX3000

AC1400
35cm 90PX chain for CS1400E

AC1600
40cm 90PX chain for CS1600E

AC1800
45cm 91PX chain for CS1800E

EGO POWER+
CHAINSAW BARS

AG1200
30cm guide bar for CSX3000

AG1400
35cm guide bar for CS1400E

AG1600
40cm guide bar for CS1600E

AG1800
45cm guide bar for CS1800E

EGO POWER+
BLOWER TUBES AND NOZZLES

AN6000R
Round nozzle for LBX6000

AN6000F
Flat nozzle for LBX6000

ANT6002
Connection tube & curved
nozzle - LB6000E (2018)

AN5300
Flat nozzle for LB5300E, LB5750E
and LB5800E

AN5801
Wide flat nozzle for LB5800E

AN7650S
Flat Nozzle for LB7650E

AN7650R
Round Nozzle for LB7650E

GUTTER CLEANING PACK

AGC1001
Gutter cleaning
pack and glasses
for LB5300E and
LB5800E

EGO POWER+
SNOW THROWER

AKS2400D
Skid shoes (pair) - SNT2400E

ACT2400
Chute cleaning tool - SNT2400E

EGO POWER+
SHOULDER STRAPS

AP1500
Single-shoulder harness with one hook - multi-tool,
LB5300E, LB5750E and all grass trimmers except BCX3800

EGO POWER+
HARNESSES

AP4800
Single-shoulder harness without
loop, two hook - LB4800E only

AFH1500
Frame and double-shoulder harness
with padded comfort straps
for BAX1500 and BHX1000

ACH1500
Cable routing clip for harness
BH1000, AFH1500

AP1500D
Double-shoulder harness with
guard pad for multi-tool &
all grass trimmers except BCX3800

AP1300
Replacement double-shoulder
comfort straps for BAX1300

AHP1500
Leg protector / line trimmer harness
attachment for AFH1500

AHP1300
Leg protector / line
trimmer harness
attachment for
AFH1300, BH1000

EGO POWER+
WALL HOOK

AWH1500
Wall mounted hanging frame
for CHX5500E & BAX batteries

EGO POWER+
PROTECTIVE CLOTHING

GV001E
Multi-purpose synthetic work
gloves. Sizes from Small to
XX-Large available

GS001E
Essential clear safety glasses

GS002E
Essential grey safety glasses

GS003E
Essential yellow safety glasses

EGO POWER+
BATTERY STORAGE

BBOX2550
Transportation box that can
carry 5 portable batteries
of all EGO sizes. Can be
connected to BBOX3000

BBOX3000
Transportation box for
BAX1500 excluding harness.
Can be connected to BBOX2550

EGO POWER⁺ MULTI-TOOL ICONS

Switch tools quickly for each task

For comfort and versatility

Large cutting width for a fast and efficient cut

Cutting depth to suit any lawn edge

Lightweight and extremely strong

Wide cutting width for efficient tilling

EGO POWER⁺ MOWER ICONS

Cutting width to suit any size lawn

Variable speed to suit your walking pace

Light and manoeuvrable, while remaining durable

Tough and durable cutting deck

Motor adjusts to grass conditions, saving energy

EGO POWER⁺ RIDE-ON MOWER ICONS

Fully customisable to suit your ride

Variable speed 3-8mph

For full 360° turning

To maximise cutting width

EGO POWER⁺ LINE TRIMMER AND BRUSH CUTTER ICONS

Wide cutting swathe for faster, more efficient trimming

Wide cutting width for fast and effective trimming

Two-speed motor adjustable for task and economy needs

Constantly adjustable speed to match the needs of the task

Ideally suited to the tool for the best cutting results

Automatic line replacement in only 10 seconds

Simple line feeding making work simple and efficient

Fast and tool-free line reloading

Adjust handle without additional tools

Lightweight and extremely strong

Work all day in comfort

Can be used with Rotocut

EGO POWER⁺ TELESCOPIC HEDGE TRIMMER AND POLE SAW ICONS

Extends up to 4m so no need for ladders and platforms

Switch tools quickly for each task

Work all day in comfort

EGO POWER⁺ HEDGE TRIMMER ICONS

Ideal length suited to the tool for best cutting results

Fast, precise grass trimming attachment

Enabling precise and clean cutting

Two-speed motor adjustable for task and economy needs

Precisely cut and sharpened for great results

Less vibration to tackle the toughest jobs

Rotating rear handle for greater comfort and versatility

Work all day in comfort

EGO POWER⁺ CHAINSAW ICONS

Ideal for all cutting tasks

Smooth and fast cutting

Enhancing safety while in use

Work all day in comfort

Auto chain tensioning

Metal bumper spikes

For use in low light areas

EGO POWER⁺ BLOWER AND SNOW THROWER ICONS

Increased power to clear large areas

Constantly adjustable speed to match the needs of the task

Work all day in comfort

Enables snow thrower to clear snow quickly even in extreme conditions

High traction tyres and self propel system

Manoeuvre through snow and ice with ease

EGO WILL CONTINUE TO DELIVER INNOVATION
IN NEW PRODUCT DEVELOPMENT - AND CLEAN,
RELIABLE POWER FOR A GREENER FUTURE.
