

EGO is part of a global manufacturing business established in 1993, employing over 10,000 people and producing over 21 million units each year. As the specialists in cordless outdoor power equipment, their desire to break new ground has helped EGO achieve exceptional growth. Launched into Europe in 2014, EGO continues to push the boundaries of cordless technology with a range of award-winning products.

🔍 Junior Product Executive – Robotic Mowers

Location: High Wycombe | Hybrid working | Full-time

🔍 What you'll be doing

- **Product Support:** Help manage the product lifecycle, focusing on user experience.
- **Testing & Troubleshooting:** Perform field tests, gather feedback, analyse data, and report issues.
- **Market Research:** Collect insights on customers, competitors, and industry trends.
- **Data Analysis:** Review usage and feedback to find improvement areas.
- **Collaboration:** Work with engineering, marketing, and sales teams.
- **Dealer & Customer Engagement:** Support training, demos, and feedback collection.
- **Documentation:** Assist in creating guides, specs, and training materials.

🔍 What you'll bring

- Degree in Engineering (Mechanical, Electrical, Robotics, or similar)
- Interest in robotics, IoT, and outdoor tech
- Analytical and data-driven mindset
- Hands-on and practical approach
- Strong communication skills across audiences
- UK driving licence + willingness to travel

🔍 Why join EGO

- Kickstart your product career with smart tech, great mentorship & real impact
- Got an engineering brain and love getting hands-on? You'll fit right in
- Into data, robots, and making users smile? Let's talk
- Enjoy hybrid working, growth potential & products you'll be proud of

We're building the future of outdoor power. You'll be part of an innovative, growing team with big ambitions and a real passion for sustainability. Sound like your kind of challenge. Apply now and let's grow something great together.
